

TORRENT MOD/A

Flush Mount Wall Light

Applications: Pathways and building perimeter, entrances, architectural, urban environments, bars and restaurants

PERFORMANCE SUMMARY

The Torrent LED is a surface mounted wall luminaire perfect for accentuating walkways, stairs and retaining walls.

It features a slim profile making it virtually invisible once installed assuring that attention is directed to the structure while allowing an easy wall mount installation

Features

- Slim profile appearing flush on wall ensuring attention is directed to the structure
- Easy surface mount installation
- Durable extruded die cast aluminium housing
- Glare eliminating stepped baffle design
- Surface finished with a proprietary Akzo Nobel treatment, withstanding harsh weather conditions without cracking or peeling
- Wide beam asymmetric distribution
- Transperant PMMA screen offers high ingress protection
- Available in marine ambient corrosion resistant option for installation in seaside areas

Specification

Volts: AC100-277V or 24V DC
 PF: > 0.95
 Average Rated Life: 90,000hrs
 CRI: RA80
 Environment Location: IP65
 Ambient temp: -20°C to 45°C
