

PROFORMA PLUS

Multifunction Linear LED

Applications: Offices, education and healthcare, government, corporate, retail

PERFORMANCE SUMMARY

The Proforma Plus Linear Series is a specification line of linear products, created with architects and lighting designers in mind. It offers a full linear lighting portfolio that's extremely versatile and simple to design, configure and install.

Combining sleek seamless lines, brilliant color quality and ultra-smooth dimming, the Proforma Series is a modern solution designed to enhance both form and function.

Construction

- Flexible linear lighting family featuring elegant finishes, professional optics and unprecedented performance
- Simple joining and alignment mechanics optimize stability and straightness of patterns and continuous runs
- Pendant, surface or wall mounted installation offering full linear 2.3" portfolio, with multiple corner configurations to design an entire space
- Suspended installation employs aircraft cables that can be connected end to end with 6 different canopy options
- White or black fixture colors to complement every design and decor
- Enhanced design flexibility with 2', 3', 4' or 8' length increments
- Configurable for individual or continuous runs of up to 40' with 90° or 120° joiners
- Modular system allows easy access to critical components to simplify repair, installation or changeover

Optics

- 110° wide beam uplight distribution allows wider spacing between fixtures
- Selection of shielding options such as louvered, micro reflector deep recessed or wall wash
- 7 in 1 direct/indirect embedded lighting distribution controllable by adjustable DIP switch on pendant model
- Tunable CCT switch from 3000k to 3500k to 4000k

Electrical

- Class 2 high efficiency LED driver, with a standard 1-10V dimming
- Enhanced ultra smooth dimming down to 10% compatible with most Lutron and Leviton controllers
- 50 / 75 / 100% fully adjustable power selection switch

Specification

Volts: AC100-277

Beam Angle: Down 110° / Up 150°

Average Rated Life: 50,000hrs

THD: <20% PF: >0.9

Environment Location: Damp Location

Ambient temp: -20°C to 50°C

SDCM: <3 UGR: <22

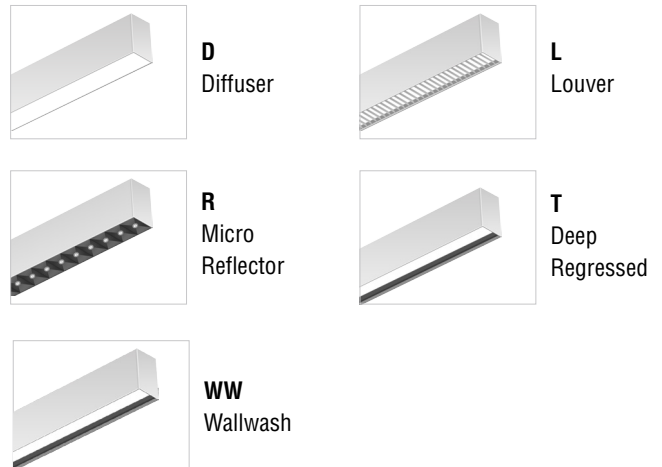

CRI: RA80
