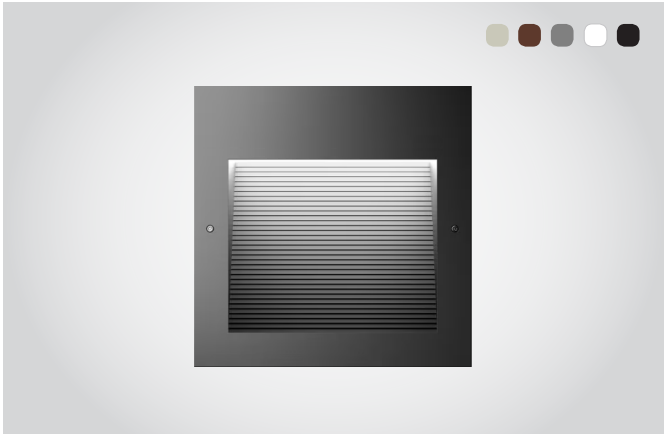
STREAM MOD/A

Recessed Wall Light

Applications: Pathways and building perimeter, entrances, architectural, urban environments, bars and restaurants



PERFORMANCE SUMMARY

The Stream LED is a wall-mounted recessed luminaire perfect for accentuating walkways, stairs and retaining walls.
It features a smooth transperant PMMA lens cover for easy cleaning.

Construction

- Durable extruded die cast aluminium housing
- Elegant stepped baffle design
- Surface finished with a proprietary Akzo Nobel treatment, withstanding harsh weather conditions without cracking or peeling
- Available in marine ambient corrosion resistant option for installation in seaside areas
- Suitable for concrete pour when factory backbox is used
- Shipped standard with backbox assembly

Optics

- Wide long throw distribution suitable for large paths or driveways
- Frosted PMMA screen offers high ingress protection

Electrical

- Internal AC120-277V driver
- Environment Location: IP65
- Average Rated Life: 90,000hrs
- 0-10V dimmable
- Ambient Temp: -4°F to 131°F
- PF: > 0.95
